MEMBER OF
**FEEDING
AMERICA**

As we look back on 2018 and move into a new year, I'm heartened by the incredible compassion of people like you. With your generous support, the Fredericksburg Regional Food Bank is making meaningful progress toward ending hunger. Hunger is a complex problem that can only be solved by our community working together. We are so grateful for the support and generosity of each person, company, foundation, program, and community partner who supports our vision of a hunger-free community!

Last year, we distributed the equivalent of 3.29 million meals to over 33,000 hungry people in our region. As you can see, your empathy for our neighbors facing hunger plays a critical role in our work. You have made it possible for the Fredericksburg Regional Food Bank to offer food and supplies to people as they face obstacles that could happen to any of us — illness, job loss, injury, the death of a family member, or other family crisis. Together, we strengthen communities not only in the immediate aftermath of a crisis, but also over the long-term through our network of community and program partners.

Thank you for helping your neighbors in need. I look forward to fighting hunger together in 2019.

Gratefully,

Oya N. Oliver
President and CEO
